Combine your multiple super accounts into Asgard to reduce fees and paperwork

Reduce fees

Consolidate your super and only pay one set of fees. The power of compounding returns means any money saved can really help grow your super balance.

Before making the decision to move, you should compare the features of your different super funds, including any fees and charges (eg exit fees), insurance and other benefits.

Reduce paperwork

One super account means only one set of paperwork. This makes it easier to monitor your super and adopt a more focused super strategy.

Find your 'lost' super

Use the Australian Tax Office's free 'SuperSeeker' service by visiting www.ato.gov.au/super, or calling 13 28 65.

How to combine your super

Visit www.asgard.com.au, and go to Products and Services – Business Super – Brochures and Forms. Download and complete the 'Request to Transfer' form, and return it to Asgard with proof of identification.
